

MEPNN Supplier Scouting Opportunity Synopsis

Item Information	
Scouting Number	2023-078
Item to be Scouted	Baby Basket Liner
Days to be scouted	60
Description	This product is in the “general child’s product” category and is a very simple basket liner design made from two fabrics, elastic and ribbon. The company would like to go-to-market with 3 styles, which are the same pattern/size with the only difference being the cosmetic fabrics. The company would really like to find a domestic manufacturer.
State item to be used in	South Carolina
